## A message from our President

April has come and gone gifting us good weather, nice turnouts, and fun times. The Easter Bunny even made an appearance to hand out goodies donated by Texas Roadhouse!

Thanks goes out to Ronnie our V.P., the Easter Bunny and Clementine the Clown for making our Easter cruise a hopping good time!!

We have been monitoring our new lot and testing out different options for our set up, entrance and exit.. there may be more adjustments to come but all in the direction of improvement. The lighting situation was assessed and will be discussed at the May 7th meeting along with the plans for other lot improvements, including cleaning up the fence line. With hopes to have the rest of the parking lines painted this month.

LITFs Mother's Day cruise-in is planned for May 11th. As always ladies drive in free. It's a great opportunity to bring all the special women in your life out to treat them to a nice evening of cars, music, food, and ice cream!! What more could a mom ask for?

This message is never complete without a big THANK YOU to the participants and members who show up every week and support us. LITFs can't put on these cruises without volunteers. Please consider being a part of the volunteer team. Ask how you can help!

Melanie Hein  
LITFs President 2019

## **RECIPE OF THE MONTH**

I'm always trying to find new ways to serve chicken at our house. This is the newest recipe I've found.

### 3 INGREDIENT APRICOT CHICKEN

6-8 skin on chicken thighs or 4 breasts

1 13 oz jar high quality apricot preserves (apricots and sugar) no corn syrup or ingredients you can't pronounce

2 cups Russian dressing

Preheat oven to 375

Lightly grease 9 x 13 Pyrex Pan

Add chicken

In medium bowl mix together the apricot preserves and Russian dressing then pour over the chicken.

Bake for 30 to 40 minutes or until the chicken is cooked through the time will depend on the size of your chicken pieces. If the top is getting too brown, cover the pan with foil halfway through cooking. Serve chicken with rice or if you want something a little healthier try cauliflower rice
