## Members,

I hope everyone enjoyed the holidays and has had a good winter. We are moving into another year of uncertainty. As of now, we do not have a location to hold our Saturday night cruise-ins. Marley Station has notified us that they are not allowed to hold any events on either G or H lot and they have no other areas available for us. So with that being said, we will need to look for another location to host our cruise-ins. We (the board) are exploring other options to try to keep the club engaged until we can find another location.

If you are interested in helping with the hunt for a new location, please get in touch with a board member to make sure we are looking for a location that meets our needs. If you have any suggestions of activities the club can do, again please contact a board member.

I will keep you updated on the status of finding a new location.

Mike

## RECIPE OF THE MONTH

### **Chicken Parmesan by Chef Dennis**

#### **Ingredients**

**24 oz chicken breast four 6 ounce boneless skinless breasts, lightly pounded**

**8 oz mozzarella cheese shredded**

**12 oz spaghetti sauce your favorite brand**

**2 teaspoon parsley finely chopped**

**1 cup flour seasoned with sea salt and black pepper**

**2 cups bread crumbs Italian seasoned or your choice**

**2 large eggs**

**2 oz water or milk (mixed with egg to make egg wash)**

**vegetable oil for frying chicken cutlets**

#### **Instructions**

•Place the chicken breasts on a cutting board lined with plastic wrap. Cover the chicken with another sheet of plastic wrap and using a meat hammer lightly pound the chicken breasts (see notes).

•Set up a breading station with flour seasoned with sea salt and black pepper, egg wash and Italian seasoned bread crumbs.

•Coat the chicken breasts with the seasoned flour. Then place in the egg wash and finally in the bread crumbs. Make sure you get a good coating of each ingredient on the chicken breasts, completely coating them.

•Heat a large saute pan on high heat and add about a half an inch of vegetable oil. Carefully place the breaded chicken cutlets into the oil using tongs. Add as many as you can into your pan without crowding them. Let them saute until they get a nice golden brown color. Using tongs turn them over and saute the other side until golden brown.

•Drain the fried chicken cutlets on baking racks over sheet pans (or baking sheets).

•Place the fried chicken cutlets in a baking dish. Top each cutlet with about  $\frac{1}{3}$  cup of spaghetti sauce, covering the chicken cutlet.

•Add two ounces of shredded mozzarella cheese on top of the marinara sauce.

•Sprinkle the chopped parsley on top of the mozzarella cheese.

•Bake at 350 degrees F for 20 minutes or until the cheese is nicely melted. \*make sure the fried chicken cutlet has reached a minimum internal temperature of 165 degrees F

•Remove from the oven and serve immediately with your favorite pasta.

#### **Notes**

**\*\*While pounding the chicken breast, don't strike straight down. You almost want to push the meat towards the outer edges while you pound. We want the breast intact and this is the best way to gain size without breaking apart the breast.**

**We always appreciate when members share their recipes. If you would like one of your recipes included in the newsletter, please email it to me at [phylmarie18@comcast.net](mailto:phylmarie18@comcast.net) or give it to me at the lot on Saturday night.**

**Thank you,**

Phyllis

# The Ann Arrundell County Historical Society

## Celebrating Our Rich History

In 1650, the Maryland Colony named its third county after the wife of Lord Baltimore. The colony's records of that time show the name as Ann Arrundell. Over time, the name evolved to Anne Arundel county.

For over 50 years the Ann Arrundell County Historical Society has pursued a mission of collecting, preserving and sharing the rich history of this area.

Its collections of books, photographs, documents and artifacts, now numbering in the thousands, attract scores of visitors each year and fulfill the vision of the founders:

*"To encourage and inspire present and future generations to preserve and share our County's heritage."*
