Members,

Why we joined Lost in the 50s:

To be totally honest we joined as a way to spend more time with Dawn's mom and dad. At the time, I didn't realize the amazing people we would meet and the friends I would make and lose over the years. I wasn't planning on becoming as active as we have and to be honest, keeping the club going is a huge task. Each year it seems to be getting harder and harder to keep things going. We will continue to do everything possible to keep this club going and can truly use everyone's help.

Thanks

Mike
